

## Insulation and air sealing

### Insulation

Efficiency measure	Rebates	Measure guidelines
Conditioned crawl space	\$1.16/sq.ft.	<ul style="list-style-type: none"> <li>• Air sealing required</li> <li>• Rebates are calculated based on square footage</li> <li>• Combustion safety test required</li> <li>• No maximums</li> </ul>
Basement wall	\$1.16/sq.ft.	
Cantilever wall	\$1.16/sq.ft.	
Floor over garage	\$1.16/sq.ft.	
Exterior wall	\$1.16/sq.ft.	
Attic (flat ceiling)	\$0.77/sq.ft.	
Attic kneewalls (already insulated)	\$0.77/sq.ft.	
Attic kneewalls (uninsulated)	\$1.16/sq.ft.	
Cathedral ceiling	\$1.16/sq.ft.	
Conditioned attics	\$1.16/sq.ft.	

### Air sealing

Efficiency measure	Rebates	Measure guidelines
Tier 1 >15%	\$310	<ul style="list-style-type: none"> <li>• Tiers are based on reduction of air loss from initial testing with blower door</li> </ul>
Tier 2 >25%	\$460	
Tier 3 >33%	\$620	
Tier 4 >50%	\$770
