

Eligibility for retrofit rebate program

To be eligible for the Efficiency Works Homes retrofit rebate program, you must:

1. Be a residential electric customer of Estes Park Power and Communications, Fort Collins Utilities, Longmont Power & Communications or Loveland Water and Power.
2. Occupy a single-family detached home or an attached townhouse that is more than one year old.
 - a. New construction, multifamily and mobile homes are not eligible for this program.
 - b. Multifamily homes meeting eligibility requirements can participate in the Efficiency Works Business multifamily program. Visit www.EfficiencyWorks.org/business/multi-family to learn more.
3. **Fort Collins only:** Complete a home efficiency assessment prior to making improvements that qualify for rebates.
 - a. Window improvement projects can be made prior to completing an assessment; rebate funds will be released after an assessment has been completed.
 - b. HVAC upgrades are exempt from the assessment requirement.
4. **Work must be completed by an Efficiency Works service provider.** Self-installed/"Do-it-yourself" improvements do not qualify for rebates.
